

Elsam III Dental Treatment Wet Lift Table

(New Free Standing Design)

Design Benefits:

- Peninsula design allows access to both sides of the table so that doctor and technician may face the animal and each other.
- Cleaning the floor under the table is much easier.
- The area under the table is clear for performing procedures sitting down.
- Allows use in a smaller exam room.

Additional Features:

- Hydraulic drive for dependable, fast, smooth and quiet operation.
- Digital weigh scale is useable in all positions - Lbs & Kgs.
- 100% stainless steel construction.
- Fully automatic zero on scale readout.
- Easy-to-read display offers exceptional brightness at wide viewing angles.
- Raised rear lip to prevent liquid from being spilled behind the table.
- Shipping weight 350 Lbs.

Three Year Warranty

- Includes defects on all parts and workmanship
